

Mr Philmore Brown
Laurel Hill N.C

Dear Sir

Following are the items
that were missing from the
room occupied by your son
and Fred Wilson his room mate.
The team went on the road
for two weeks and left James
in Newark for medical care,
due to a ~~severe~~ infection
with which he was suffering.
Upon the teams return Mr
Wilson found these articles
missing and James Brown
gone - two felt hats, one green
one tan size 7 1/4. one suitcase
from which he had torn the
lock in order to get in it -
four shirts - one brown, one blue

one white, one vest, all polo
shirts large size, four suits
of underwear.

He also took the money Wilson
left for room rent and I did not
pay the landlady.

He also took my baseball
uniform which he has absolutely
no right to. It is the property
of the ball club. A suit, stockings
and sweatshirt.

I expect you to send these
things back at once, or I will
have to take steps to get them
otherwise -

Yours Truly,

The above information is correct

Fred Wilson
